Start, Manage, & Grow Your Business with ReferenceUSA

Thursday, August 31st, 2017

12:00 P.M.

Guest speaker, TJ Pridell, with ReferenceUSA will be hosting an interactive lead generation Marketing seminar catering to the Stoneham business community.

Stoneham Public Library subscribes to ReferenceUSA, an online database that provides business and consumer research information.

This product offers critical, timely assistance to business owners, sales and marketing representatives, students and job seekers.

Stoneham Public Library patrons connect with ReferenceUSA with a click of their library card. This enables the consumer to create effective marketing plans, conduct essential competitive analysis, raise funds and locate people in order to expand & grow their business. The online database provides real-time access to more than 44 million businesses and 270 million consumers.

Stoneham Public Library cardholders may access this resource at home, work and at the library.

The database features three detailed modules of information: “US Business”, “US Standard White Pages”, and “US Jobs & Internships”.

Stoneham library patrons can select a location and radius to search through a database of Millions of businesses and locate direct business contact names. Many entries also include links to job postings.

Students can utilize ReferenceUSA to find articles for research on businesses and find data summaries to profile neighborhoods, cities and states, as well as researching demographics by business type, sizes and median income.

Library users can access ReferenceUSA at stonehamlibrary.org under “Resources > Online Databases > ReferenceUSA” on the library homepage. Just log in by typing your active library card number.

For more information, contact the Reference Department at [781-438-1324](tel:781-438-1324) or saltzman@noblenet.org

Please mark your calendar for Noon on Thursday, August 31st to learn about growing your business.
